Manufacturer: HCB Specialty Tools

Description

Product Description:

SUBARU Suitable Cam&Crank Tools.

Product Info:

Model/Item No.:

H.C.B-A1450

Country of Origin:
Taiwan
Brand:
HCB
Product Specifications Features:

* Locks the turning LH side cam sprockets when the timing belt is removed.

* Prevents cam sprockets from spinning when belt is removed and avoid any possibility of valve damage.

* Time-saving and labor-saving. Makes timing belt changes faster and easier, and you require one person to do this job.

* Suitable for various SUBARU models. Apply to all Subaru 4-6L and 2-5L 2000CC turbo engines.

* Strong neodymium magnets. Make the tools easy to place over-lid.

* Curved design plate offers a good view of sprocket timing marks.
