Description

DESCRIPTION

Kit contents:

- 1 x Central tool
- 3 x Bushes
- 1 x Square plate
- 1 x Instruction manual

The central tool is used to remove and install the three rear diff bushes on Fords ranging from BA-FG as well as the popular Ford Territory. The square plate is used to support the subframe during the removal and installation of the bushes. The instruction manual provides detailed instructions on how to use the kit.
